MAAL STUDENT CONTRACT
REGARDING THE USE OF CELL PHONES AND OTHER ELECTRONIC DEVICES IN SCHOOL

Dear Parents and Students:

The following is a detailed description of the rules regarding the use of cell phones and other electronic devices at our school.

In accordance with the new Chancellor's Regulation A-413 regarding the use of cell phones and other electronics in schools, the following is being implemented and will be effective beginning April 27, 2015.

- All students will be assigned one breezeway locker for a single cell phone only.
Students will place their phone in their assigned locker before entering school and can only retrieve it at the end of the school day.
Students may not share lockers.
Each student will be assigned a locker combination and are responsible for memorizing it.
Locker combinations are not to be given out or shared with anyone.
Students are responsible for making sure that their locker is securely locked and that the indicator window is red.
The school is not responsible for lockers that are left unlocked or the items placed in the lockers at any time.
Electronic devices of any kind found in the school building will be confiscated until a parent/legal guardian comes to pick it up.
Students who attempt to enter with cell phones, computing devices or portable music and entertainment systems in violation of the DOE's Discipline Code and the school's policy will have their device confiscated, their parent contacted, and be subject to disciplinary consequences.
Storage lockers are exclusively for the use of cell phone and electronic equipment. Any other items are prohibited. If a student is found using their locker for the storage of anything other than cell phone and electronic equipment they will forfeit the use of the locker.
